

FLYING GULL AQUATIC CLUB TRAINING SQUAD

Prince George's Sports & Learning Complex
8001 Sheriff Rd, Landover MD 20785

FGAC's Training Squad is aimed at intermediate swimmers ages 9-16, who are looking to improve stroke technique and training skills in a non-competitive program. Generally, it is designed to supplement participation with other teams, such as summer league and high school.

Getting results means having a plan. We start by keeping the roster small. We explore techniques from the most elemental of hydrodynamics to the most advanced of competitive strokes. Swimmers build aerobic fitness with a balanced approach to endurance and speed.

Applicants have a choice of 3 sessions: Fall, Winter and Spring. You can register for all at once, at a discount of \$50, or on a session by session basis. Participants are required to become members of USA Swimming as a part of program registration.

Come join us! Our staff has over 50 years of combined coaching experience and a proven track record. We offer a challenging and fun learning environment tailored to the developing swimmer. Whether for sport or fitness, we've got it covered.

PROGRAM SCHEDULE

Monday 4:30-6:00 pm & Wednesday 4:30-6:00 pm

Fall session Monday 10/5/09 – Wednesday 11/25/09

Winter session Monday 1/4/10 – Wednesday 2/24/10
